

## **Variant rules for playing 2 players each with their own set via online comms platform**

Set up as normal with the correct number of dinosaurs in the bag

- 1) Draw 6 dinosaurs into your hand.
- 2) First player rolls dice
- 3) Both players declare their selected dinosaur and place according to rules.
- 4) Both players discard a second selected dinosaur back to the box
- 5) Remove from your hand both the other player's selections and discard to the box
- 6) If you don't have matching dinosaurs in your hand remove one from the bag
- 7) Put your remaining drawn dinosaurs to one side
- 8) Draw 4 new dinosaurs into your hand
- 9) Roll, declare, place, discard, remove, discard
- 10) Put remaining dinosaurs to one side
- 11) Draw 2 new dinosaurs into your hand
- 12) Roll, declare, place, discard, remove, discard
- 13) Repeat for 3 more rounds and score as normal

It is possible towards the end of the game you won't have a matching dinosaur in your bag. In this instance discard a random one from the bag.
